

OP01- SWL-108L

LEIZUR

CE  RoHS
2002/95/EC

Solar LED
Wall Light /
Fence Light

Applications:

- Typical applications include:
- Parks & Gardens
- Walls & Fence
- Security lights
- Hotels
- Commercial Buildings
- Shopping Malls

Intelligent Design

1. 180° Adjustable Solar Panel: Solar Panel 180° rotating, stable with screws
2. 45° Adjustable Base: Lamp Base 45° rotating stable with screws
3. Support Type-C charging USB Charging directly
4. Removable Slide Cover
5. Replaceable Battery
6. Intelligent Working mode indicator light

Adjustable Solar Panel

Patent Design
6W/1000LM
USB Charging
IP65

Multi function
Good Quality
3 Years Warranty

Support
Type-c Charging

Removable
Slide Cover

Adjustable Base

Working mode indicator light

Specifications:

Lumens	: 900-1000lm
Solar panel	: A-level mono-crystalline 5.5V 2.5W
Battery	: 18650 3.7V 2200mAh
LED	: Bridgelux LED*108pcs
CCT	: 6000K
Charging time	: 5-6h
Working time	: 2-3 rainy days
Beam angle	: 360°
Detection Distance	: 6-8meters/120°
Installation Height	: 2.5-3 Meters
IP rating	: IP65
Housing	: Black
Material	: PC+ABS aluminum
Lamp Dimension(L*W*H)	: L190*W180*H68mm
Panel Dimension	: 187*102mm

OP01-SWL-108L

Solar LED Wall Light / Fence Light

Working Mode

Integrated 4 modes by switch:

- 1) Dim + motion sensor
- 2) Non-Dim + motion Sensor
- 3) Suitable Power continually Lighting on for 12hrs
- 4) Emergency lighting

Solar Motion Sensor Lights
